The General Manager, Govt. Silk Filature Kollegal has reported that considerable difficulty is experienced by the filature representatives in keeping the cash safely in villages without proper cash boxes and has therefore requested sanction for the purchase of at least two cash boxes immediately.

In the circumstances, I suggest that orders may be issued urgently sanctioning the purchase of only two cash boxes now, the purchase of the remaining items being sanctioned after a decision is reached on the

To A.S.

Please see the letter at p3cf from the Govt. of India.

Since the Govt. of India are averse to incurring the expenditure on this item, the expenditure has perhaps to be met from the Provincial funds. ~~For orders whether the A.S. may be informed accordingly.~~ Finance may also see the case for remarks if the DIGE should still consider the expenditure essential. DIGE may perhaps be consulted first. Subject to orders a draft endt is put up for approval.

at least six cash boxes (immediately) will be accepted
the expenditure involved is only Rs 100/-. Finance Dept
also see the Case for remarks.

I think the cost of two cash boxes
9.10.45 may be sanctioned urgently, as there is continuous
possibility of far greater loss than Rs 100/- to Govt.
through lack of means of safe custody. The
boxes can always be used subsequently elsewhere, if
necessary, in the Industries Dept

In the circumstances mentioned in the note of U.S. Dept on p. 2 above, this dept may agree to the purchase of two cash boxes at a cost about Rs. 100/
